

MINUTES OF MEETING

Hybrid Application of WareHouse Mangement
System

Minutes of meeting (1st)

Meeting with Mr. Durga Prasad (General Manager of HCL Technologies) and Mr Krishna Prasad (Project Manager, working in ERP Product Company) at 6:15 PM on 30 Aug' 2016.

Meeting was focused on understanding the requirements for the project and also on the platform on which project will be built on.

Other members present for the meeting:

- Chittoori Meha (B. Tech 3rd year)
- Chaitanya Reddy (B. Tech 3rd year)
- Jallepalli Prerna (B. Tech 3rd year)
- Madarapu Srikar (B. Tech 3rd year)
- Krishna Priya (B. Tech 3rd year)

Conclusions

B. Tech students will have to create a small project on PhoneGap and have to add dummy data for application. Database that will be used will be MySQL. The UI and database will be provided by Mr. Krishna Prasad, along with login credentials.

Graphical reports must be added into the UI like a sample sent before.

Document related to Software Requirement Specification(SRS) and work proceedings must be shared soon.

Also Document with relating our course Software Engineering with the Industrial experience will be shared with Mr. Durga Prasad every 15 days.

Hence we the students will be making a Hybrid Application using tools like PhoneGap, MySQL (database) and others.

The next reporting date will be decided by Mr Krishna Prasad.

Closing Time: 6:45 PM

Minutes of meeting (2nd)

Members Present for the meeting:

- Mr. Krishna Prasad (mentor)

Team members (NIIT University)

- Chaitanya Reddy
- Chittoori Meha
- Jallepalli Perna
- Madarapu Srikar

Discussion was based for updating mentor with teams work. Start time: 6:00 pm on 13th September.

Conclusions

1. Along with username and password there will be another field that is role option.
2. That field is either field engineer or manager.
3. Throw an error message if field does not match.
4. Team was suggested to review the UI flow once again thoroughly.
5. Inside product three type main use cases are present: purchase order use cases, sales order use cases, warehouse management use cases.

Meeting duration: 15 minutes

End time: 6:15 pm

Chittoori Meha <chittoori.meha@st.nituniversity.in>
to Krishna-Prasad, Chaitanya, Krishna, Madarapu, Jallepalli

Sir,

We would like to request for a meeting tomorrow according to your convenience. The meeting would be concentrating on the structure of database and the project proceedings till now.
We have made the database and UI separately but did not connect them as we would like you to finalize it, before moving further.

Hoping to connect with you soon.

Thank You,
Team
